NOTIFICATION

This notification is to inform all the AMTRON Centres and AMTRON Franchisee Centres about the decision to release certificates for students who have successfully completed their studies before (December 2021) the COVID-19 pandemic and they have cleared their payments but could not submit their projects.

After careful consideration Education and Training division have determined that it is in the best interest of our students to release their certificates without any further delays. This decision is aimed at providing them with the documentation they need to pursue higher education, employment, and other opportunities, unimpeded by the circumstances brought about by the pandemic.
