### **NOTIFICATION**

This is notified for general information to all the AMTRON Centres and AMTRON Franchisee Centres that as E&T Division has implemented unique Paper Code and Paper name for each and every paper across the courses in the newly introduced/ revised courses, the division has also decided to give the students rebates on the course fees, for already completed papers under any course he/ she has successfully completed in the recently introduced/ revised syllabi, if one student decides to take admission into another course. In such a case, the student has to pay the course fees for the remaining papers in the newly registered course @ ₹2,500/- per paper basis only.

For example, if a student apply to register in the DCOA course after completing the PDCA course, he/ she has to pay ₹5,000/- only (@₹2,500/- per paper for the remaining two papers).

At the same time, the division has also decided to introduce a **Cerdit Transfer System** for the successfully completed papers from one course to another in the recently introduced/ revised syllabi. In such a case, one student may apply for transferring Credits of his/ her already cleared (passed) papers. For that a student has to pay a nominal Cerdit Transfer Fees @ ₹100/- per paper basis.

It is to be noted that a student may provisionally be allowed to take admission in another course immediately after completing one course and appearing the examination. But, he/ she will be allowed to apply for "**Credit Transfer and rebate on Course Fee**" only after successfully clearing all the papers (both theory and practical parts) of the previously registered course.
